### HKP-01 Hong Kong Half-day Tour Package

Tour Code: HKP-01

Hong Kong enjoys many great nicknames, such as "Jewel of the Orient" and "Asia's Shopping Paradise". Once being a colony of Great Britain, Hong Kong returned to China's control on July 1, 1997, becoming a Special Administrative Region (SAR) of the People's Republic of China. For being described as a "barren rock" over 150 years ago, Hong Kong has become a world-class financial, trading and business centre and, indeed, a great world city. Hong Kong has no natural resources, except one of the finest deep-water ports in the world. A hardworking, adaptable and well-educated workforce of about 3.5 million, coupled with entrepreneurial flair, is the bedrock of Hong Kong's productivity and creativity.
