Why Kaisertour

Best Value

We sell direct and negotiate with suppliers through our own subsidiary in China. Savings achieved by cutting out the middlemen are significant and it is in our best interests to share the savings with you. - We guarantee our customers the best Price of "made in china".

Best Quality Assurance

Having a fully operational subsidiary of our own in China not only helps us cut cost but also boosts customer satisfaction. If anything goes wrong during your tour, you can count on our local staff to get into action immediately. In the process, the foreign tour operator e.g. in North America often loses effective control over quality.

We always deliver what we promise because we commit, so we will guarantee your travel. To sustain our guarantee we have deposited CNY1600,000 (circa USD 230, 000) with the China Tourism Administration(CNTA) which is the top official organization that handles tourists' complaints. With this guarantee we are convinced you will find our service to be second to none. Details of our official identity are available on the web site of China National Tourist Administration (CNTA), where you will find us under following [URL:http://www.cnta.com/lyen/city/tianjin/2j/h03.asp](http://www.cnta.com/lyen/city/tianjin/2j/h03.asp) (China Comfort Tianjin International Travel Agency).

Limited Shopping Stops

Pure shopping stops are banned on our tours and factory visits if any are clearly identified in the itineraries. However, all guides aren't allowed to make a shopping stop without agree of you, or he/she will be punished. We are working hard with our local partners with the aim to eliminate all such visits for the group travel.
