

Payment Guide

Methods of Payment: We are now able to offer 5 methods of Payment according to different situations applicable:

1) Credit card (Visa or Master etc.) secure online payment via PayPal.

When you receive our proposal with quotation, In the email body, you will see a "PAY NOW" symbol, just click the Visa/Master Card PAY NOW symbol on the email payment request and you will be taken to the secure PAYPAL web site to make payment. If you are a PAYPAL member simply follow the usual system. If you are not a member it's easy to join and it's free!

2) Payment using PayPal balance(recommended)

Payment via paypal is done by credit card as default. However, you can add your bank account to your paypal account, and add funds(money) to your PayPal account by transferring it from your bank account. Also you can add funds(money) to your PayPal account by using e-check of your bank. If so, it equals to the bank remittance. Linking your bank account is easy and secure. If you do online banking, you can usually link your bank account in a few minutes.
